For more than 95 years, non-profit TOASTMASTERS INTERNATIONAL has been the leader in providing a supportive and positive learning experience in which members are empowered to develop greater communication and leadership skills, resulting in greater self-confidence and personal growth.

Join us for a series of five (5) practical sessions (90 minutes each) for the modest cost of \$20.00/person covering online material costs. (Limited to five enrollees)

You do not need to stop at 5 speeches. You are invited to continue to develop your public speaking skills with our Club – **Humor Mill - President Distinguished Club** after the workshop.

You will be mentored and guided by experienced toastmasters to reach your goals with the Pathway education on-line!
